

OTTAWA VALLEY MARAUDERS

October 5, 2019

We've had a bunch of historical stuff this year. Now it's time to let your hair down & get goofy.

This will conclude yet another dynamic season of Cowboy Action Shooting with the Ottawa Valley Marauders.

Thank-you all for coming & enjoy the day!

MATCH SAFETY, RULES AND PROCEDURES

All firearms to be handled ONLY in these designated areas:

Marked Safety Area.

Load/Unload tables.

Firing line with RO present.

If you need to work on an EMPTY gun, please do it at a designated Safety Area. NOT the load/unload tables.

All SASS safety rules will apply. It is YOUR responsibility to know them. Current rulebook is available for viewing in The Telegraph Office.

All long guns should be carried muzzles up. This is not a hunting camp. You are in a crowded civilian range. Please pay careful attention to your gun handling OFF the firing line, as well as on. It may get a little crowded in here, so please exercise a little extra caution.

Dry firing at the load/unload tables is prohibited.

A round over the berm is a Match DQ.

The shooter is responsible for staging/re-staging their firearms. A precariously staged gun that falls is not a prop failure. It is considered a dropped gun and a penalty will be applied as per SASS rulebook.

WAIT FOR THE BEEP! (No movement before the beep please)

-  Shotgun knockdowns must fall to score. Keep shooting!
-  Shotgun make-up shots must be taken immediately. (Before moving on to next target).
-  The RO (and only the RO) calls for shotgun re-shoots.
-  Loading the rifle from the body is allowed, but ONLY to make up for an ejected round.
-  Do not chamber rifle rounds until the gun is pointed downrange. This is now a 10 second Minor Safety Violation.
-  Once a pistol clears leather & gets cocked, it HAS to be fired. (No de-cocking.)
-  This is a "No Alibi" match. Once you have hollered the start line or made a move for a gun, you are committed and there is no stopping until you have completed the stage.
-  Several of us put a lot of hours into these matches for YOUR entertainment. Please show your appreciation by helping out where possible and hustling a little to keep the match moving along, so we can all get off the range together at a reasonable hour. There is no such thing as "shoot & scoot " in CAS.

We're darn proud of our brand
